Dear Exhibitors,

We would like to inform you that the 29th International Fair of **NATURE, HUNTING, FISHING, and TOURISM** will take place from **October 2nd to 4th** at the City Sports Hall in Varaždin.

For almost three decades, the fair has brought together leading companies and organizations from the hunting, fishing, outdoor recreation, and tourism sectors, establishing itself as one of the most recognized specialized events of its kind in Croatia and the surrounding region.

We are also delighted to announce that the fair is entering a new phase of development. Starting this year, the main organizer of the fair is **Zelendvor turizam d.o.o.**, while **DMK Vall 042 d.o.o.**, the long-standing organizer and driving force behind the event's development, will remain actively involved through project management and the further development of the fair's program.

As in previous years, the fair is organized in cooperation with the **Croatian Hunting Federation** and the **Croatian Sport Fishing Federation**.

We invite you to seize this unique opportunity to present your products and services, including the latest innovations, technologies, and trends in these areas.

You can choose between two levels of exhibition space:

- **Basic exhibition space** (with the option to order additional equipment of your choice)
- **Unfurnished exhibition space** (for spaces arranged with your own construction)

Additionally, it is possible to order covered outdoor space and outdoor space for displaying vehicles.

We offer a 5% discount on indoor exhibition space to exhibitors booking more than 30 m<sup>2</sup>, and a 10% discount to exhibitors booking more than 50 m<sup>2</sup> of indoor exhibition space.
